Issue 2

Dear Children and Parents,

I have been a Governor at Charing for 12 years now and it is with real sadness that I have decided that it is time for me to step down from the Governing Body. The workload and pressure in the last year, has just become too much and I cannot see this changing, given the need for measurable outcomes.

There have definitely been plenty of ups and downs during those 12 years, but it has been a real joy to work with the staff at Charing over the years and to watch all the children grow and flourish. I will really miss hearing all their stories and successes.

The school has a great class teaching structure in place and I thank the Governing Body and Miss Crockford for making this happen. I also believe that being part of a Multi Academy Trust will ensure stability –the educational winds of change always seem to be blowing from somewhere!

Please continue to work with the school and encourage your children in their learning. They are all amazing and I will always have a little Charing shaped hole in my heart!

I wish you all every continued success

Kindest regards

Ruth Burns

Dear Parents

The news that Mrs Burns has stepped down from her role as Chair of Governors is very sad news for me personally as she has been a strong supporter of me and advocate of the school. During her time as governor and Chair of Governors, Mrs Burns has gone above and beyond in her genuine love for and desire to help Charing School. She has secured grants for resources and our reflection area, been hands on with projects and generally been a tremendous help and asset in all aspects of school life. She will be missed.

If you would like to make a contribution to a present from the school, please send your contribution in to the school office in an envelope by Friday 28th September. Many thanks.

Kind regards

Miss Crockford.
