In administering and applying this policy each school will be aware of and comply with all relevant provisions of the most recent School Admissions Code, the School Admission Appeals Code and the law on admissions.

### **Aquila Values.**

Aquila is an inclusive organisation reflecting and living out our Christian vision, by being welcoming to all and inclusive of children with different needs, of different faiths and from diverse backgrounds. Aquila schools have a mission to serve the common good. All our schools and especially our Church of England schools are called to bring life in all its fullness to their pupils and the wider community. They seek to offer wisdom, hope, community and dignity to those they serve. The Admission arrangements are the beginning of that service.

### **Process:**

Each school in this policy has a specified Published Admissions Number (PAN). Each school will accordingly admit to the PAN each year if sufficient applications are received. The PAN for each school is outlined in Appendix A. All applicants will be admitted if the number of applications is equal to or fewer than the PAN.

If more applications are received than PAN, the oversubscription criteria below will be applied in order to rank all the applications and identify a priority for the offer of places up to PAN.

In line with the DFE School Admissions Code, children with Statements of Special Educational Need which name a School within the policy in the statement will be allocated a place at the school before the oversubscription criteria are applied. As a result of this, the published admissions number will be reduced accordingly.

Applications for admission to the schools should be made using the Local Authority Common Application Form by the national closing date of 15th January. The form can be found [here](#).

The Local Authority will inform parents of the offer of a place on behalf of the Local Authority on the national offer date 16th April or the next working day.

### **Oversubscription Criteria:**

#### **1. Looked After Children, Previously Looked After Children and Internationally Adopted Looked After Children (LAC, PLAC and IAPLAC)**

A "Looked After Child" (LAC) is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989) at the time of making an application to a school.

A "Previously Looked After Child" (PLAC) is a child who was looked after but ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order immediately following having been looked after.

An "Internationally Adopted Previously Looked After Child (IAPLAC) is a child who appears (to the admission authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

#### **2. Siblings**

Siblings of pupils attending the school at the time of application. 'Sibling' means a natural brother or sister, a half brother or sister, a legally adopted brother or sister or half-brother or sister, a step brother or sister, or other child living in the same household who, in any of these cases, will be living with them at the same address at the date of their entry to the school.

#### **3. Children of Staff**

Priority will next be given to children of staff at the school, in either of the following circumstances:

- a) The member of staff has been employed at the school for 2 or more years at the time at which the application for admission to the school is made, or
- b) The member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

#### **4. Social and Medical need**

Priority will be given to a small number of children in the exceptional circumstances whose mental or physical impairment means they have a demonstrable and significant need to attend the specific school over any other.

Supporting evidence in the form of a letter from a doctor or social worker or other relevant qualified, independent professional, would be required. Medical, health, social and special access reasons will be applied in accordance with the school's legal obligations and does not guarantee that a child will be given priority as each decision will be made on the merits of the individual case.

#### **5. Distance from school**

Proximity to the school with those living closest to the school having priority calculated by: We use the distance between the child's permanent home address (defined in KCC's annual admissions prospectus) and the school, measured in a straight line using the National Land and Property Gazetteer (NLPG) address point. Distances are measured from a point defined as within the child's home to a point defined as within the school as specified by NLPG. The same address point on the school site is used for everybody. When we apply the distance criterion for the school, these straight-line measurements are used to determine how close each applicant's address is to the school. Where applications are made from properties or abodes that are not registered to the NLPG, including new build properties, KCC may be required to use planning sites or other relevant co-ordinates. In exceptional circumstances where alternative co-ordinates are not available, measurements will be determined by a KCC Senior Admissions Officer and confirmed by Head of Service. The child's home address is the place where the child is permanently resident with his or her parent or parents or legal guardians. Where a child lives with parents with shared responsibility the 'home address' is considered to be the address at which they sleep for the majority of school nights.

### **Tie-breaker - Proximity to the school.**

In the event that two or more children live at the same distance from the school (as can happen with families living in blocks of flats), a random allocation will take place. This will occur through drawing of lots by an independent responsible person of good standing, supervised by a similarly independent person, to decide which child(ren) will be allocated the remaining place(s) (in accordance with 1.34 and 1.35 of the School Admissions Code).

If siblings from multiple births (twins, triplets, etc) apply for a school and the school would reach its Published Admission Number (PAN) after admitting one or more, but before admitting all of those siblings, the school will offer a place to each of the siblings, even if doing so takes the school above its PAN. If the admissions are to Year R, and so result in a breach of infant class size legislation, the additional pupil(s) will be treated as "excepted" for the time they are in an infant class or until the numbers fall back to the current infant class size limit, as defined in the School Admissions Code.

### **Withdrawal of an Offer of a Place**

After a place has been offered, the school reserves the right to withdraw the place in the following circumstances: -

- when a parent/carer has failed to respond to an offer within 30 working days
- when a parent/carer has failed to notify the school of important changes to the application information
- when the place was offered on the basis of a fraudulent or intentionally misleading application from a parent/carer.

### **Fraudulent applications**

If an admission application was offered on the basis of a fraudulent or intentionally misleading information, the application will initially be withdrawn and the applicant informed. The application will then be considered again using the correct verified information.

### **Admission of children outside their normal age group**

Parents may request that their child is admitted to a year group outside their normal age range, for instance where the child is gifted or talented or where a child has suffered from particular social or medical issues impacting on their schooling. All such requests will be considered on their merits and either agreed or

refused, on that basis. If a request is refused, the child will still be considered for admission to their normal age group.

The process for requesting such an admission is as follows:

With the application, parents should request that the child is admitted to another year group (stating which year they are requesting), and the reasons for that request. Parents will need to submit evidence in support of their case with the application, for instance from a medical practitioner, headteacher etc. Some of the evidence a parent might submit could include:

- information about the child's academic, social and emotional development;
- where relevant, their medical history and the views of a medical professional;
- whether they have previously been educated out of their normal age group; and
- whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

The school will consider each case on its merits, taking into account the individual circumstances of the request and the child's best interests. We will also ensure the parent is aware of whether the request for admission out of age group has been agreed before final offers are made, and the reason for any refusal. Requests for admission out of the normal year group will be considered alongside other applications made at the same time.

### **Waiting Lists**

Each school will operate a waiting list for each year group. Where in any year the school receives more applications for places than there are places available, a waiting list will operate until the end of the first term after the beginning of the school year. This will be maintained by the school and it will be open to any parent to ask for their child's name to be placed on the waiting list, following an unsuccessful application. Children's position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be reordered in accordance with the oversubscription criteria whenever anyone is added to or leaves it.

### **Appeals Procedure**

All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code. Appellants should contact the school office within 40 days of the date of the letter refusing your child a place at the school for information on how to appeal. Information on the timetable for the appeals process is published on our website.

### **School age**

A full-time school place in the Reception class is available for children from the September following their 4th birthday.

### **Delayed entry for infants**

A child is entitled to a full-time place in the September following their 4th birthday. Parents have the right to delay their child's entry until later in the school year, or to attend part-time until they reach compulsory school age. Places cannot be delayed to the next academic year, within the Reception cohort.

### **Address definition**

The address is the place where the child is permanently resident with his or her parent or parents or legal guardians. Evidence may be requested to show the address, for example: to which any Child Benefit is paid or at which the child is registered with a medical GP together with recent utilities bill, council tax bill or tenancy agreement. This evidence will be used when reaching a decision on the child's home address for admissions purposes (including where a child lives with parents with shared responsibility for each part of the week). Parents should not assume that a place will automatically be allocated to their child.

### **In-Year admissions**

Applications for children outside of the usual admissions round for an admissions year, will be classed as an in-year admission. The allocation of places for in year admissions will be in accordance with the same oversubscription criteria above. Applicants must complete the in-year admissions application form which can be found [here](#).
